

## CONTEST DESCRIPTION

<b>Competition Date:</b>	Saturday, November 9th, 2024
<b>Competition location:</b>	Holland College – Prince of Wales Campus
<b>Trade Number:</b>	84
<b>Trade Name:</b>	Job Skill Demonstration
<b>Level:</b>	Intermediate

### 1. INTRODUCTION

#### 1.1 Purpose of the Challenge.

The purpose of the competition is to evaluate each competitor's ability to demonstrate and fully communicate the process of the job skill. The skill demonstrated must reflect a contest area that is a component of the Provincial Skills Competition. Please refer to the 2024 Provincial Skills Canada PEI poster for a full list of competition areas.

[www.skillscanada.pe.ca](http://www.skillscanada.pe.ca)

#### 1.2 Duration of contest.

Each competitor has up to 50 minutes for this demonstration, which includes set-up, demonstration and take down. Judges will ask questions following the demonstration. Time used during questioning will not count as demonstration time. Visual aids such as props or models may be used to demonstrate the topic.

#### Time Format:

- Set-Up - Up to 10 minutes
- Demonstration - At least 20 minutes, not more than 30 minutes
- Questions - will have no bearing on the demonstration time
- Take Down - Up to 10 minutes

#### 1.3 Skills and Knowledge to be tested.

Each competitor must prepare for the Job Skills Demonstration by:

- Preparing a 20-30 minute demonstration
- Following the competition judging criteria provided in the Contest Description

#### Specific Information:

- Competitors must prepare their own digital and non-digital visual aids (signs, charts, transparencies, slides and diagrams)

- This contest is an individual demonstration; however, assistants may be used to set-up and take-down or to be a model during the demonstration
- The demonstration must be at least 20 minutes in length and must not exceed 30 minutes
- Competitors must present/demonstrate, not read from a script
- Competitors must follow current occupational health and safety standards. There must be no coaching/assisting from teachers, instructors, mentors or audience members once the demonstration has begun.

Competitors should assume that their demonstrations will be viewed by the general public, other competitors, and may be photographed or videotaped. Competitors should be aware of and prepared for distractions in the competition area.

## **3. SKILLS FOR SUCCESS**

In response to the evolving labour market and changing skill needs, the Government of Canada has launched the new Skills for Success (former Essential Skills) model defining nine key skills needed by Canadians to participate in work, in education and training, and in modern society more broadly. SCC is currently working with Employment and Social Development Canada (ESDC) to bring awareness of the importance of these skills that are crucial for success in Trade and Technology careers.

Part of this ongoing initiative requires the integration and identification of the Skills for Success in contest descriptions, projects, and project documents.

The following 9 skills have been identified and validated as key skills for success for the workplace in the legend below:

Numeracy, Communication, Collaboration, Adaptability, Reading, Writing, Problem Solving, Creativity and Innovation, Digital
